**What is your proposal ?**

- Executive Team – up to 7 Members, all lodging including 3 days before.
- Integrity Committee – up to 3 Members, all lodging including 3 days before.

**Give an overview of your arguments why IBF Members should vote for your proposal :**

Being together in person makes it much easier to prepare well for the GIC and use the conference to progress important topics for the IBF. Last year these teams spent more days to prepare ( at their own cost ) and it paid off. It also helped in being more settled and attuned, also with the GIC organizer, and keep the energy high, otherwise the transition is a little fast.

**After review by the Executive Team and/or the Integrity team, are you happy to pass this proposal into the electronic/remote voting system or do you want this be voted during the AGM?**
